The DanceFlurry Organization has been dedicated to traditional music and dance in the Capital-Saratoga region since 1979. We offer **monthly dance series (see reverse side), music groups, special events, and the Flurry Festival**, a three-day held event each February. Our goals are to:

- ◆ Build community with opportunities for social interaction;
- ◆ Present dance and music as fun, creative, healthy, and educational experiences; and
- ◆ Develop the talents of dancers, event organizers, callers, instructors, and musicians.

Events are open to the public. Most dances begin with an introductory session. You don't need a partner, but you might grab a few friends to join you.

Scan the code for information or visit www.danceflurry.org for details on events and to sign up for monthly calendar emails. Check the Facebook groups for contra, English, and swing dancers.

DFO grants help other groups present traditional dance and music events for youth, families, and the general public. We partner with other organizations to hold dances at their venues, at street fairs, and student events.

Volunteer power runs the DFO. Board members, event organizers, and many other dedicated volunteers make things happen. Join us and the members and donors who provide support.

The DFO is a non-profit organization registered with the NYS Charities Bureau, EIN-14-1693779.
