Instructions for donations of securities to the DanceFlurry Organization

Thank you for considering a donation of publicly traded securities to the DanceFlurry (DFO). The DFO is the 501c3 organization that sponsors the Flurry Festival Adirondack Weekend, Contra Fest, and a range of monthly and weekly dance and music events.

When you contact the broker to request the transfer, it is critically important that you let us know exactly what equity you are transferring. When it arrives in our account, there is no name attached to it so we have no way of knowing who made the gift. Even if you want to make your gift anonymously, we still need to know who should receive the confirmation of the receipt of the equity.

The instructions your broker needs to transfer your gift via ACAT to the DFO are:

Vanguard (DTC # 0062)

Account Number: 34377505

Account Title: DanceFlurry Organization

Please copy the DFO treasurer, Noel Kropf, with the instructions to your broker at finance@danceflurry.org. The specific information we request is:

- name of the stock
- number of shares
- broker's name and phone number (if you are calling)

If you hold paper stock certificates, please contact Noel for the specific procedures.

The DanceFlurry Organization is registered with Benevity - <https://causes.benevity.org/>.

Thank you again for your generous support of the DanceFlurry Organization!

Sincerely,

Noel Kropf

Treasurer and Chair, Fundraising Committee
